Index to Associate Training Programs in the Medical and Biological Sciences at NIH

1979 Catalog

BOOKSTACKS-
DOCUMENTS

DEPOSITORY
DEC 21 1978
UNIV. OF ILL. LIBRARY
AT URBANA-CHAMPAIGN

Index

Abnormalities
Laboratory of Developmental Biology and Anomalies (NIDR), 67, 80

Aging
Laboratory of Molecular Aging (NIA), 60

Anesthesiology
Neurobiology and Anesthesiology Branch (NIDR), 67, 68

Arthritis
Arthritis and Rheumatism Branch (NIAMDD), 51-52, 78

Associate Programs
see also **Clinical Associates; Research Associates; Staff Associates**
applying for, 7-8
approved residency training programs, 5
civilian staff fellowships, 8
general description, 3-5, 7
method of selection, 8
residency training in Clincal Pathology Department (CC), 103-105
residency training in Nuclear Medicine Department (CC), 105-106
staff fellowships in Blood Bank Department (CC), 102

Behavior
Laboratory of Behavioral and Neurological Toxicology (NIEHS), 70
Laboratory of Behavioral Sciences (NIA), 59
Laboratory of Brain Evolution and Behavior (NIMH), 92-93
Social and Behavioral Sciences Branch (NICHD), 62

Biochemistry
biochemical genetics, 15
biosynthesis, 13
cellular regulation studies, 13
developmental, 13
Laboratory of Biochemical Genetics (NHLBI), 39, 76
Laboratory of Biochemical Genetics (NIEHS), 69
Laboratory of Biochemical Pharmacology (NIAMDD), 53-54, 78
Laboratory of Biochemistry (NCI), 12-14
Laboratory of Biochemistry (NHLBI), 40
Laboratory of Biochemistry (NIDR), 67
Laboratory of Biochemistry and Metabolism (NIAMDD), 54, 79
Laboratory of Clinical Biochemistry of Baltimore Cancer Research Center, 30
Laboratory of Clinical Science (NIMH), 81-82, 90-91
Laboratory of General and Comparative Biochemistry (NIMH), 83, 91

Biochemistry *(continued)*
Laboratory of Neurochemistry (NIMH), 83, 92
Laboratory of Neurochemistry (NINCDS), 99-100
of gene expression, 13
protein chemistry, 14

Biology
see also **Microbiology**
Molecular Biology
cell cycle regulation, 16
Environmental Biology, and Chemistry Branch (NIEHS), 71
Laboratory of Biological Structure (NIDR), 67
Laboratory of Cell Biology (NCI), 14-15
Laboratory of Cell Biology (NHLBI), 40
Laboratory of Cellular and Molecular Biology (NIA), 59-50
Laboratory of Chemical Biology (NIAMDD), 54
Laboratory of Developmental Neurobiology (NICHD), 63, 79
Laboratory of Immunobiology (NCI), 15
Laboratory of Medicinal Chemistry and Biology (NCI), 25-26, 73-74
Laboratory of Neurobiology NIMH), 91
Laboratory of Physical Biology (NIAMDD), 56
Laboratory of Theoretical Biology (NCI), 17
Laboratory of Tumor Cell Biology in Developmental Therapeutics Program (NCI), 26-27
Neurobiology and Anesthesiology Branch (NIDR), 67, 68
ultrastructural biology, 15

Biometry
Biometry Branch (NIEHS), 70
Office of Biometry and Epidemiology (NEI), 31-32

Biophysics
Laboratory of Environmental Biophysics (NIEHS), 70-71, 80

Blood Banking
approved residency programs, 5
Blood Bank Department (CC), staff fellowships in, 102

Cardiology
Cardiology Branch (NHLBI), 37-38, 75

Cardiovascular Diseases
Hypertension-Endocrine Branch (NHLBI), 38, 75-76
Laboratory of Experimental Atherosclerosis (NHLBI), 42
Molecular Disease Branch (NHLBI), 38-39

Cardiovascular System
Clinical Physiology Branch (NIA), 58

Cell Biology see **Biology**

Chemistry
see also **Biochemistry**
Chemistry Branch (NCI), 73
Environmental Biology and Chemistry Branch (NIEHS), 71
Laboratory of Chemical Biology (NIAMDD), 54
Laboratory of Chemical Physics (NIAMDD), 54-55
Laboratory of Chemistry (NHLBI), 41-42, 75
Laboratory of Chemistry (NIAMDD), 55, 77-78
Laboratory of Medicinal Chemistry and Biology (NCI), 25-26, 73-74

Chemotherapy
Laboratory of Experimental Chemotherapy (NCI), 73

Clinical Associates
academic programs available to, 107-110
clinical dental associates in NIDR, 65

Dental Clinical Associates, 3-4
in Baltimore Cancer Research Center (NCI), 29-31
Clinical Oncology Branch, 29-30
Laboratory of Clinical Biochemistry, 30
Laboratory of Molecular Biology, 30-31
in Clinical Oncology Program (NCI), 19-22
Clinical Pharmacology Branch, 20
Medicine Branch, 20
NCI-VA Medical Oncology Branch, 20-21
Pediatric Oncology Branch, 21-22
Radiation Oncology Branch, 22
Surgery Branch, 22
in Clinical Pathology Department (CC) 103-105
in clinical research branches of NHLBI, 37-39
Cardiology Branch, 37-38
Clinical Hematology Branch, 38
Hypertension-Endocrine Branch, 38
Molecular Disease Branch, 38-39
Pathology Branch, 39
Pulmonary Branch, 39
Surgery Branch, 39
in Developmental Therapeutics Program (NCI), 23-29
Drug Evaluation Branch, 27-28
Drug Synthesis and Chemistry Branch, 28
Laboratory of Chemical Pharmacology, 25
Laboratory of Medicinal Chemistry and Biology, 25-26
Laboratory of Molecular Pharmacology, 26
Laboratory of Toxicology, 23-25
Laboratory of Tumor Cell Biology, 26-27
Natural Products Branch, 28-29
Pharmaceutical Resources Branch, 29
in NCI, 10, 19-31
in NEI, 31-34
Clinical Branch, 33-34
Laboratory of Vision Research, 32-33
Office of Biometry and Epidemiology, 31-32
in NHLBI, requirements, 35-36
in NIA, 57-60
in NIAID, 43-50
Laboratory of Clinical Investigation, 43-45
in NIAMDD, 50-53
Arthritis and Rheumatism Branch, 51-52
Clinical Endocrinology Branch, 52
Clinical Hematology Branch, 52
Diabetes Branch, 52
Digestive Diseases Branch, 52-53
Metabolic Diseases Branch, 53
Pediatric Metabolism Branch, 53
Phoenix Clinical Research Unit, 53
in NICHD, 60-61
in NIDR, 65
in NIMH, 85, 86
in NINCDS, 94-95
in Nuclear Medicine Department (CC), 105
in surgery in NHLBI, 36
opportunities for, 3
participation in joint endocrinology training program in NHLBI, 37

Clinical Center (CC)
Ambulatory Care Research Facility, 2-3
Blood Bank Department, 2
Blood Bank Department, Staff fellowships in, 102
Clinical Pathology Department, 2

Clinical Center *(continued)*
Clinical Pathology Department, clinical and research associates in, 103-105
Diagnostic Radiology Department, 2
Diagnostic Radiology Department, staff associates in, 105
general description, 1-3
Medical Information and Communication System, 2
Nuclear Medicine Department, 2
Nuclear Medicine Department, clinical associates and residence training in, 105-106

Dentistry
Caries Prevention and Research Branch (NIDR), 67
clinical dental associates in NIDR, 65
Clinical Investigations Branch (NIDR), 65-66
Dental Clinical Associate training program, 3-4
Laboratory of Oral Medicine (NIDR), 66, 67

Dermatology
Dertamology Branch (NCI), 10

Diabetes Mellitus
Diabetes Branch (NIAMDD), 52

Digestive Diseases
Digestive Diseases Branch (NIAMDD), 52-53

Drugs
Developmental Therapeutics Program (NCI), 22-29
Drug Evaluation Branch, 27-28
Drug Synthesis and Chemistry Branch, 28
Laboratory of Chemical Pharmacology, 25, 72-73
Laboratory of Medicinal Chemistry and Biology, 25-26, 73-74
Laboratory of Molecular Pharmacology, 26
Laboratory of Toxicology, 23-25, 74
Laboratory of Tumor Cell Biology, 26-27
Natural Products Branch, 28-29
Pharmaceutical Resources Branch, 29
Experimental Therapeutics Branch (NINCDS), 84-85, 96-97
Laboratory of Experimental Chemotherapy (NCI), 73

Embryology
Laboratory of Developmental Biology and Anomalies (NIDR), 67, 80

Endocrinology
Clinical Endocrinology Branch (NIAMDD), 52
Clinical Physiology Branch (NIA), 58
Endocrinology and Reproduction Research Branch (NICHD), 62
Hypertension-Endocrine Branch (NHLBI), 38, 75-76
Intra-Institute training program
in NHLBI, 37
in NIAMDD, 50
in NICHD, 60
Laboratory of Nutrition and Endocrinology (NIAMDD), 56

Environmental Health
Environmental Biology and Chemistry Branch (NIEHS), 71
Laboratory of Environmental Biophysics (NIEHS), 70-71, 80
Laboratory of Environmental Mutagenesis (NIEHS), 69
Laboratory of Environmental Toxicology (NIEHS), 69-70, 81

Epidemiology
Office of Biometry and Epidemiology (NEI), 31-32

staff associates in epidemiology and clinical investigations in NIAMDD, 51
staff associates in epidemiology in NHLBI, 36-37

Genetics
biochemical, 15
biochemistry of gene expression, 13
Laboratory of Biochemical Genetics (NHLBI), 39, 76
Laboratory of Biochemical Genetics (NIEHS), 69
Laboratory of Immunogenetics (NIAID), 46-47
Laboratory of Molecular Genetics (NICHD), 63-64
somatic genetics, 14

Hematology
see also **Blood Banking**
Clinical Hematology Branch (NHLBI), 38
Clinical Hematology Branch (NIAMDD), 52
immunohematology, approved residency programs, 5
Laboratory of Molecular Hematology (NHLBI), 42
Molecular Hematology Branch (NHLBI), 75

Immunology
cell-mediated immunity, 14
cellular immunity, 15
immunochemistry, 14-15
immunohematology, approved residency programs, 5
Immunology Branch (NCI), 10-12
immunopathology, 15
Laboratory of Immunobiology (NCI), 15
Laboratory of Immunogenetics (NIAID), 46-47
Laboratory of Immunology (NIAID), 47
Laboratory of Microbial Immunity (NIAID), 47-48
Laboratory of Microbiology and Immunology (NIDR), 66, 67
Neuroimmunology Branch (NINCDS), 98

Infectious Diseases
Infectious Diseases Branch (NINCDS), 97
Laboratory of Infectious Diseases (NIAID), 46
Laboratory of Microbial Diseases (NIAID), 49
Laboratory of Parasitic Diseases (NIAID), 48-49, 77
Laboratory of Persistent Viral Diseases (NIAID), 49-50
Laboratory of Streptococcal Diseases (NIAID), 49
Laboratory of Viral Diseases (NIAID), 45

Instrumentation and Methodology
Laboratory of Technical Development (NHLBI), 43

Learning
Learning and Problem-Solving Section (NIA), 59

Mathematics
Mathematical Research Branch (NIAMDD), 56

Medical Libraries
facilities available to associates, 110

Medical Students
clinical electives for, 4-5

Metabolism
see also **Nutrition**
Clinical Physiology Branch (NIA), 58
Development and Metabolic Neurology Branch (NINCDS), 96
Laboratory of Biochemistry and Metabolism (NIAMDD), 54, 79
Laboratory of Cellular Metabolism (NHLBI), 40-41, 76-77
Laboratory of Cerebral Metabolism (NIMH), 82, 91-92
Laboratory of Kidney and Electrolyte Metabolism (NHLBI), 42
Metabolic Diseases Branch (NIAMDD), 53

Metabolism *(continued)*
Metabolism Branch (NCI), 12
Pediatric Metabolism Branch (NIAMDD), 53

Microbiology
see also **Infectious Diseases**
Laboratory of Biology of Viruses (NIAID), 45-46
Laboratory of Microbial Immunity (NIAID), 47-48
Laboratory of Microbiology and Immunology (NIDR), 66, 67
Rocky Mountain Laboratories (NIAID), 49

Molecular Biology
Laboratory of Molecular Biology (NCI), 15
Laboratory of Molecular Biology (NIAMDD), 55-56
Laboratory of Molecular Biology (NINCDS), 101
Laboratory of Molecular Biology of Baltimore Cancer Research Center, 30-31

Mutagenesis
Laboratory of Environmental Mutagenesis (NIEHS), 69

National Cancer Institute (NCI)
Baltimore Cancer Research Center, 29-31
Clinical Oncology Branch, 29-30
Laboratory of Clinical Biochemistry, 30
Laboratory of Molecular Biology, 30-31
Cancer Therapy Evaluation Program, 17-19
Clinical Investigations Branch, 18-19
Investigational Drug Branch, 19
Clinical Oncology Program, 19-22
Clinical Pharmacology Branch, 20
Medicine Branch, 20
NCI-VA Medical Oncology Branch, 20-21
Pediatric Oncology Branch, 21-22
Radiation Oncology Branch, 22
Surgery Branch, 22
Developmental Therapeutics Program, 22-29
Drug Evaluation Branch, 27-28
Drug Synthesis and Chemistry Branch, 28
Laboratory of Chemical Pharmacology, 25
Laboratory of Medicinal Chemistry and Biology, 25-26
Laboratory of Molecular Pharmacology, 26
Laboratory of Toxicology, 23-25
Laboratory of Tumor Cell Biology, 26-27
Natural Products Branch, 28-29
Pharmaceutical Resources Branch, 29
Division of Cancer Biology and Diagnosis, 9-17
Dermatology Branch, 10
Immunology Branch, 10-12
Laboratory of Biochemistry, 12-14
Laboratory of Cell Biology, 14-15
Laboratory of Immunobiology, 15
Laboratory of Molecular Biology, 15
Laboratory of Pathology, 16
Laboratory of Pathophysiology, 16-17
Laboratory of Theoretical Biology, 17
Metabolism Branch, 12
Division of Cancer Treatment, 17

National Eye Institute (NEI)
clinical and research associate positions in, 31-34

National Heart, Lung, and Blood Institute (NHLBI)
basic research laboratories of, 39-43

Laboratory of Biochemical Genetics, 39
Laboratory of Biochemistry, 40
Laboratory of Cell Biology, 40
Laboratory of Cellular Metabolism, 40-41
Laboratory of Chemical Pharmacology, 41
Laboratory of Chemistry, 41-42
Laboratory of Experimental Atherosclerosis, 42
Laboratory of Kidney and Electrolyte Metabolism, 42
Laboratory of Molecular Hematology, 42
Laboratory of Technical Development, 43
clinical associate requirements, 35-36
clinical associates in surgery in, 36
clinical research branches of, 37-39
Cardiology Branch, 37-38
Clinical Hematology Branch, 38
Hypertension-Endocrine Branch, 38
Molecular Disease Branch, 38-39
Pathology Branch, 39
Pulmonary Branch, 39
Surgery Branch, 39
formal instruction for associates in, 37
joint endocrinology training program in, 37
research associate requirements, 36
staff associates in, 36
staff associates in epidemiology in, 36-37

National Institute of Allergy and Infectious Diseases (NIAID)
basic research laboratories of, 45-50
Laboratory of Biology of Viruses, 45-46
Laboratory of Immunogenetics, 46-47
Laboratory of Immunology, 47
Laboratory of Infectious Diseases, 46
Laboratory of Microbial Diseases, 49
Laboratory of Microbial Immunity, 47-48
Laboratory of Parasitic Diseases, 48-49
Laboratory of Persistent Viral Diseases, 49-50
Laboratory of Streptococcal Diseases, 49
Laboratory of Viral Diseases, 45
Rocky Mountain Laboratories, 49
clinical branch of, 43-45
Laboratory of Clinical Investigation, 43-45

National Institute of Arthritis, Metabolism and Digestive Diseases (NIAMDD)
basic research laboratories of, 53-56
Laboratory of Biochemical Pharmacology, 53-54
Laboratory of Biochemistry and Metabolism, 54
Laboratory of Chemical Biology, 54
Laboratory of Chemical Physics, 54-55
Laboratory of Chemistry, 55
Laboratory of Experimental Pathology, 55
Laboratory of Molecular Biology, 55-56
Laboratory of Nutrition and Endocrinology, 56
Laboratory of Physical Biology, 56
Mathematical Research Branch, 56
clinical associate positions in, 50
clinical research branches of, 51-53
Arthritis and Rheumatism Branch, 51-52
Clinical Endocrinology Branch, 52

NIAMDD *(continued)*
Clinical Hematology Branch, 52
Diabetes Branch, 52
Digestive Diseases Branch, 52-53
Metabolic Diseases Branch, 53
Pediatric Metabolism Branch, 53
Phoenix Clinical Research Unit, 53
research associate positions in, 51
staff associate position in epidemiology and clinical investigations in, 51

National Institute of Child Health and Human Development (NICHD)
clinical research branches of, 61-62
Endocrinology and Reproduction Research Branch, 62
Neonatal and Pediatric Medicine Branch, 61-62
Social and Behavioral Sciences Branch, 62
research laboratories of, 63-64
Developmental Pharmacology Branch, 64
Laboratory of Developmental Neurobiology, 63
Laboratory of Molecular Genetics, 63-64

National Institute of Dental Research (NIDR)
basis research laboratories of, 67-68
Laboratory of Biochemistry, 67
Laboratory of Biological Structure, 67
Laboratory of Developmental Biology and Anomalies, 67
Laboratory of Microbiology and Immunology, 67
Laboratory of Oral Medicine, 67
Neurobiology and Anesthesiology Branch, 68
clinical research branches of, 65-67
Caries Prevention and Research Branch, 67
Clinical Investigations Branch, 65-66
Laboratory of Microbiology and Immunology, 66
Laboratory of Oral Medicine, 66
Neurobiology and Anesthesiology Branch. 67

National Institute of Environmental Health Sciences (NIEHS)
basic research laboratories of, 69-71
Biometry Branch, 70
Environmental Biology and Chemistry Branch, 71
Laboratory of Behavioral and Neurological Toxicology, 70
Laboratory of Biochemical Genetics, 69
Laboratory of Environmental Biophysics, 70-71
Laboratory of Environmental Mutagenesis, 69
Laboratory of Environmental Toxicology, 69-70
Laboratory of Pharmacology, 69
Laboratory of Pulmonary Function and Toxicology, 70
staff associates in, 68

National Institute of General Medical Sciences (NIGMS)
Pharmacology Research Associate Committee, 72
pharmacology research associate in participating NIH laboratories, 71-85
Arthritis and Rheumatism Branch (NIAMDD), 78
Cardiology Branch (NHLBI), 75
Chemistry Branch (NCI), 73
Clinical Pharmacology Branch (NCI), 73
Clinical Psychobiology Branch (NIMH), 84

Developmental Pharmacology Branch (NICHD), 79
Experimental Therapeutics Branch (NINCDS), 84-85
Hypertension-Endocrine Branch (NHLBI), 75-76
Laboratory of Biochemical Genetics (NHLBI), 76
Laboratory of Biochemical Pharmacology (NIAMDD), 78
Laboratory of Biochemistry and Metabolism (NIAMDD), 79
Laboratory of Cellular Metabolism (NHLBI), 76-77
Laboratory of Cerebral Metabolism (NIMH), 82
Laboratory of Chemical Pharmacology (NCI), 72-73
Laboratory of Chemical Pharmacology (NHLBI), 75
Laboratory of Chemistry (NHLBI), 75
Laboratory of Chemistry (NIAMDD), 77-78
Laboratory of Clinical Science (NIMH), 81-82
Laboratory of Developmental Biology and Anomalies (NIDR), 80
Laboratory of Developmental Neurobiology (NICHD), 79
Laboratory of Environmental Biophysics (NIEHS), 80
Laboratory of Environmental Toxicology (NIEHS), 81
Laboratory of Experimental Chemotherapy (NCI), 73
Laboratory of General and Comparative Biochemistry (NIMH), 83
Laboratory of Medicinal Chemistry and Biology (NCI), 73-74
Laboratory of Neurochemistry (NIMH), 83
Laboratory of Neuropharmacology (NIMH), 83-84
Laboratory of Neurophysiology (NINCDS), 85
Laboratory of Parasitic Diseases (NIAID), 77
Laboratory of Pharmacology (NIEHS), 80-81
Laboratory of Preclinical Pharmacology (NIMH), 82-83
Laboratory of Toxicology (NCI), 74
Molecular Hematology Branch (NHLBI), 75

National Institute of Mental Health (NIMH)
clinical associate and research associate positions, 86-94
Biological Psychiatry Branch, 86-88
Clinical Neuropharmacology Branch, 88-89
Clinical Psychobiology Branch, 89-90
Laboratory of Brain Evolution and Behavior, 92-93
Laboratory of Cerebral Metabolism, 91-92
Laboratory of Clinical Psychopharmacology, 93-94
Laboratory of Clinical Science, 90-91
Laboratory of General and Comparative Biochemistry, 91
Laboratory of Neurobiology, 91
Laboratory of Neurochemistry, 92
Laboratory of Neurophysiology, 92
Laboratory of Preclinical Pharmacology, 94

National Institute of Neurological and Communicative Disorders and Stroke (NINCDS)
basic research laboratories of, 99-102
Developmental Neurology Branch, 101-102
Epilepsy Branch, 101

NINCDS *(continued)*
Laboratory of Central Nervous System Studies, 99
Laboratory of Molecular Biology, 101
Laboratory of Neural Control, 99
Laboratory of Neurochemistry, 99-100
Laboratory of Neuropathology and Neuroanatomical Sciences, 100
Laboratory of Neurophysiology, 100-101
Neurological Disorders Program, 101
clinical associate and research associate positions, 94-102
clinical research branches of, 95-98
Clinical Neurosciences Branch, 95-96
Development and Metabolic Neurology Branch, 96
Experimental Therapeutics Branch, 96-97
Infectious Diseases Branch, 97
Medical Neurology Branch, 97-98
Neuroimmunology Branch, 98
Surgical Neurology Branch, 98

National Institute on Aging (NIA)
basic research laboratories of, 59-60
Laboratory of Cellular and Molecular Biology, 59-60
Laboratory of Molecular Aging, 60
Laboratory of Neurosciences, 60
Learning and Problem-Solving Section, 59
Section on Comparative Nutrition, 59
clinical, research and staff associates in, 57-60
clinical research branches of, 58-59
Clinical Physiology Branch, 58-59
Laboratory of Behavioral Sciences, 59

Neurology
Clinical Neuropharmacology Branch (NIMH), 88-89
Clinical Neurosciences Branch (NINCDS), 95-96
Development and Metabolic Neurology Branch (NINCDS), 96
Developmental Neurology Branch (NINCDS), 101-102
Epilepsy Branch (NINCDS), 101
Infectious Diseases Branch (NINCDS), 97
Laboratory of Behavioral and Neurological Toxicology (NIEHS), 70
Laboratory of Brain Evolution and Behavior (NIMH), 92-93
Laboratory of Central Nervous System Studies (NINCDS), 99
Laboratory of Cerebral Metabolism (NIMH), 82, 91-92
Laboratory of Clinical Science (NIMH), 81-82, 90-91
Laboratory of Developmental Neurobiology (NICHD), 63, 79
Laboratory of Neural Control (NINCDS), 99
Laboratory of Neurobiology (NIMH), 91
Laboratory of Neurochemistry (NIMH), 83, 92
Laboratory of Neurochemistry (NINCDS), 99-100
Laboratory of Neuropathology and Neuroanatomical Sciences (NINCDS), 100
Laboratory of Neuropharmacology (NIMH), 83-84
Laboratory of Neurophysiology (NIMH), 92
Laboratory of Neurophysiology (NINCDS), 85, 100-101
Laboratory of Neurosciences (NIA), 60
Laboratory of Preclinical Pharmacology (NIMH), 82-83, 94

Medical Neurology Branch (NINCDS), 97-98
Neurobiology and Anesthesiology Branch (NIDR), 67, 68
Neuroimmunology Branch (NINCDS), 98
Neurological Disorders Program (NINCDS), 101
Surgical Neurology Branch (NINCDS), 98

Nuclear Medicine
approved residency training programs, 5
Nuclear Medicine Department (CC), clinical associates and residency training in, 105-106

Nutrition
see also **Metabolism**
Laboratory of Nutrition and Endocrinology (NIAMDD), 56
Section on Comparative Nutrition (NIA), 59

Oncology
Clinical Oncology Branch of Baltimore Cancer Research Center, 29-30
Clinical Oncology Program (NCI), 19-22
Developmental Therapeutics Program (NCI), 22-23
Laboratory of Tumor Cell Biology in Developmental Therapeutics Program (NCI), 26-27
Pediatric Oncology Branch (NCI), 21-22
Radiation Oncology Branch (NCI), 22
Surgery Branch (NCI), 22

Ophthalmology
clinical and research associates in National Eye Institute, 31-34

Pathology
approved residency training programs, 5
Clinical Pathology Department (CC), 103-105
immunopathology, 15
Laboratory of Experimental Pathology (NIAMDD), 55
Laboratory of Neuropathology and Neuroanatomical Sciences (NINCDS), 100
Laboratory of Pathology (NCI), 16
Laboratory of Pathophysiology (NCI), 16-17
Pathology Branch (NHLBI), 39

Pediatrics
Neonatal and Pediatric Medicine Branch (NICHD), 61-62
Pediatric Metabolism Branch (NIAMDD), 53
Pediatric Oncology Branch (NCI), 21-22

Pharmacology
see also **Drugs; Psychopharmacology; Toxicology**
Clinical Neuropharmacology Branch (NIMH), 88-89
Clinical Pharmacology Branch (NCI), 20, 73
Developmental Pharmacology Branch (NICHD), 64, 79
Laboratory of Biochemical Pharmacology (NIAMDD), 53-54, 78
Laboratory of Chemical Pharmacology (NHLBI), 41, 75
Laboratory of Chemical Pharmacology in Developmental Therapeutics Program (NCI), 25, 72-73
Laboratory of Clinical Science (NIMH), 81-82, 90-91
Laboratory of Molecular Pharmacology in Developmental Therapeutics Program (NCI), 26
Laboratory of Neuropharmacology (NIMH) 83-84
Laboratory of Pharmacology (NIEHS), 69, 80-81
Laboratory of Preclinical Pharmacology (NIMH), 82-83, 94

Pharmacology Research Associates
of NIGMS, assignment to participating NIH laboratories, 71-85
Arthritis and Rheumatism Branch (NIAMDD), 78
Cardiology Branch (NHLBI), 75
Chemistry Branch (NCI), 73
Clinical Pharmacology Branch (NCI), 73
Clinical Psychobiology Branch (NIMH), 84
Developmental Pharmacology Branch (NICHD), 79
Experimental Therapeutics Branch (NINCDS), 84-85
Hypertension-Endocrine Branch (NHLBI), 75-76
Laboratory of Biochemical Genetics (NHLBI), 76
Laboratory of Biochemical Pharmacology (NIAMDD), 78
Laboratory of Biochemistry and Metabolism (NIAMDD), 79
Laboratory of Cellular Metabolism (NHLBI), 76-77
Laboratory of Cerebral Metabolism (NIMH), 82
Laboratory of Chemical Pharmacology (NCI), 72-73
Laboratory of Chemical Pharmacology (NHLBI), 75
Laboratory of Chemistry (NHLBI), 75
Laboratory of Chemistry (NIAMDD), 77-78
Laboratory of Clinical Science (NIMH), 81-82
Laboratory of Developmental Biology and Anomalies (NIDR), 80
Laboratory of Developmental Neurobiology (NICHD), 79
Laboratory of Environmental Biophysics (NIEHS), 80
Laboratory of Environmental Toxicology (NIEHS), 81
Laboratory of Experimental Chemotherapy (NCI), 73
Laboratory of General and Comparative Biochemistry (NIMH), 83
Laboratory of Medicinal Chemistry and Biology (NCI), 73-74
Laboratory of Neurochemistry (NIMH), 83
Laboratory of Neuropharmacology (NIMH), 83-84
Laboratory of Neurophysiology (NINCDS), 85
Laboratory of Parasitic Diseases (NIAID), 77
Laboratory of Pharmacology (NIEHS), 80-81
Laboratory of Preclinical Pharmacology (NIMH), 82-83
Laboratory of Toxicology (NCI), 74
Molecular Hematology Branch (NHLBI), 75
Pharmacology Research Associate Committee, 72
training program, 4

Physics
see also **Biophysics**
Laboratory of Chemical Physics (NIAMDD), 54-55
Laboratory of Physical Biology (NIAMDD), 56

Physiology
cellular and molecular physiology, 16
Clinical Physiology Branch (NIA), 58-59
Laboratory of Neurophysiology (NIMH), 92
Laboratory of Neurophysiology (NINCDS), 85, 100-101
Laboratory of Pathophysiology (NCI), 16-17

Psychiatry
Biological Psychiatry Branch (NIMH), 86-88

Psychobiology
Clinical Psychobiology Branch (NIMH), 84, 89-90

Psychopharmacology
Laboratory of Clinical Psychopharmacology (NIMH), 93-94

Public Health Service Commissioned Corps
description of, 7-8

Radiology
Diagnostic Radiology Department (CC), staff associates in, 105

Radiotherapy
Radiation Oncology Branch (NCI), 22

Reproduction
Endocrinology and Reproduction Research Branch (NICHD), 62

Research Associates
see also **Pharmacology Research**
academic programs available to, 107-110
in Clinical Pathology Department (CC), 103-105
in Developmental Therapeutics Program (NCI), 22-23
in NCI, 10
in NEI, 31-34
Clinical Branch, 33-34
Laboratory of Vision Research, 32-33
Office of Biometry and Epidemiology, 31-32
in NHLBI, requirements for, 36
in NIA, 57-60
in NIAID, 43-50
in NIAMDD, 51
in NICHD, 61
in NIDR, 65
in NIMH, 85, 86
in NINCDS, 95
opportunities for, 3

Residency
approved residency programs, 5
residency training in Clinical Pathology Department (CC), 103-105
residency training in Nuclear Medicine Department (CC), 105-106

Respiratory System
Laboratory of Pulmonary Function and Toxicology (NIEHS), 70
Pulmonary Branch (NHLBI), 39

Rheumatism
